

Filip Kocijan | UX Designer

Location: Croatia

Number: +385 97 639 2528

Email: fillip.kocijan13@gmail.com

Professional Profile

I recently completed a UX course in less than half the time provided to finish it while also bringing in results my mentor loved. I completed 2 app projects and learned how to make a website with HTML and CSS. My role in all of the projects was to bring a product to life from scratch and included a human-centered process.

Core Skills

- User research
- Competitive analysis
- User personas
- Mobile-first design
- Information architecture
- User flows
- Iterative wireframing
- Usability and preference testing
